

Titanic, Santa Fe

I know that I'm a sinner, I knew it from my early days
But ev'rything that happened was leading on the darkest ways.
My simple life was over, long before it really began
But I'm happy that I realise to know where it finally ends.
Well I'm livin' on a graveyard, livin' on a graveyard
Well I'm livin' on a graveyard, livin' on a graveyard
Livin' on a graveyard, and I'm sure it's the right place to stay.
I get no neighbour trouble, no matter whatever I do.
There is no one to deal with, nobody's able to feel blue.
The reason for to live here gets clearer ev'ryday for me
I tell you when it's all over, I wish that here I still would be.

Well I'm livin' on a graveyard ...

But I know it's still a long way from here to eternity
And I know that not ev'rybody is able to escape from calamity.
So you better live your life as if it could be over every day
And do not follow me on my long and lonesome day-to-day dying way.

Well I'm livin' on a graveyard ...
Well I'm livin' on a graveyard ...
