

Titiyo, 1989

Well, Im afraid of that picture
From 1989
Faded colours and worn out texture
From 1989
Oh my oh my
Well Ive been young and Ive been stupid
But its left behind
I regret the things that I did
And I feel fine
We cant go on like this
Dont go on yourself like this
We cant go on like its 1989
Oh no
Oh my
Lets go back, Ill be your angel
Ill make a deal with time
I dont know if that would change you
Or give you peace of mind
We cant go on like this
Dont go on yourself like this
We cant go on like its
1989, 1989, 1989, 1989
We cant go on like this
Dont go on yourself like this
We cant go on like its
1989, 1989, 1989, 1989
We cant go on, no
We cant go on like this, oh no
We cant go on
Weve gotta move on now
Weve gotta move on
(Repeat)
Gotta move on now
Now
