

Tito & Tarantula, Forever Forgotten And Unforgiven

I had a dream that everything
Was backwards
You asked me to wait for you
At the corner there near the sign
I was there but you never showed up
Where were u and why did I wait
How could it be that you
Would tell me the truth
When you never did that before
You're forgotten and unforgiven
I don't care that it's the dead end of the street
I don't care that you're confused & in heat
I don't care that I don't know what's going on
I don't care that you don't care about me
I asked you to wait for me
At the target near the taco bell
Were u there? Cause I never arrived
I was busy with you sisters hmm
I don't like the monster I become
Just to get you to tell me the truth
So sugar sugar it's goodbye forever
You're forgotten and unforgiven
I don't care that it's the dead end of the street
I don't care that you're confused & in heat
I don't care that I don't know what's going on
I don't care that you don't care about me
So it's a sad life and a stale one too
It's all been wasted on u
Oooh! Oooh don't love me
Oh! Please
Oh! Please don't love me
