

Tito & Tarantula, Killing Just For Fun

Johnny came from Santa Cruz
Killed seven people for luck
He murdered for a reason
One he knew nothing of
He was killing
Killing just for fun
He drove down the highway
Looking for a place to eat
He pulled into a Denny's
Had a Denny's deluxe
Spotted his next
Victim's teeth
He was killing,
Killing just for fun
He had a finger and a toe
In the pocket of his coat
The rest lay in the truck
He'd burn all
Their belongings
Under the moonlight
& then danced in their rot
He was killing,
Killing just for fun
On your cross you shall see
That's what Mommy said
On your cross
You shall bleed
That's what Mommy said
She loves me
She loves me not
Johnny stood there
Hackin' her apart...
On your cross you shall see
That's what Mommy said
On your cross
You shall bleed
That's what Mommy said
