

Tito & Tarantula, Smiling Karen

I'M Not Your Hero
I'M Not Your Daddy Neither
I'M On My Way To
Your Love Side
Oh I Heard The News
And I Scares Me To Think
That I Might Not Have You On
My Chain Again
Through Your Weeping Willow
On Your Street I Could See
Your Virgin Velvet Body Hidin'
I Wanted You For Me
Well I Guess You Fell Apart
In The Sunshine Of Your Life
Well I Came Down Wishing
To Wash Your Feet This Night
I Woulda Fed Ya Soup
Made Of Fables And Cream
I Cried At Your Window
I Thought I Heard Ya Scream
Through Your Weeping Willow
On Your Street I Could See
Your Virgin Velvet Body Hidin'
I Wanted You For Me
Your Makeup Was Smeared
With The Secrets Of Life
Your Worries Are
Rainbows Now
In The Milkyway Light
Through Your Weeping Willow
On Your Street I Could See
Your Virgin Velvet Body Hidin'
I Wanted You For Me
Smiling Karen
Why You Starin'
You'Re Not Sceamin'
You'Re Not Breathin'
Through A Weeping Willow
On Your Street I Could See
Your Velvet Body Hidin'
From Me
