

# Tizzy Bac, ????????

But I see, oh no (oh no!)

Baby you say you're lonely, I say I feel so sorry  
For you, for me  
But do you know you'r a pretty,  
I say let's get some chocolate

But you see, oh no (oh no!)

soul mate

Baby you say you're lonely, I say I feel so sorry  
For you, for me  
But do you know you'r a pretty,  
I say let's get some chocolate

Baby you say you're lonely, I say I feel so sorry  
For you, for me  
But do you know you'r a pretty,  
I say let's get some chocolate

(Come on, dance all night!)

Baby you say you're lonely, I say I feel so sorry

(and give me one more try!)  
Do you know you're a pretty,  
I say let's get some chocolate
