Heather don't you want it

Heather please don't please don't please don't stop there,
Heather please don't please don't please don't stop there,
Heather you know we know we can go for it,
Heather you know we know we can go for it,
Heather won't you won't you won't you show me,
How much strength behind, inside your beauty,
Heather just go just go just go for it,
Before we die, we know we still got one chance,
Heather,go.
