TLC, Damage

I know I'm kind of strange
to you sometimes
don't always say
what's on my mind
you know that I've been hurt by some guy
but I dont wanna mess up this time

and I really really really care
and I really really really want you
and I think I'm kinda scared
cause I don't want to lose you
if you're really really really there
then maybe you can hang through
I hope you understand
It's nothing to you

my heart's at a low
I'm so much to manage
I think you should know
that I've been damaged
I'm falling in love
there's one disadvantage
I think you should know
that I've been damaged

I might look through you're stuff
for what I don't want to find
or I might just set you up
to see if you're all mine
I'm a little paranoid
from what I've been through
you don't know what you've got yourself into

and I really really really care
and I really really really want you
and I think im kinda scared
cause I don't want to lose you
if you're really really really there
then maybe you can hang through
I hope you understand
It's nothing to you

my heart's at a low
I'm so much to manage
I think you should know
that I've been damaged
i'm falling in love
there's one disadvantage
I think you should know
that I've been damaged

my heart's at a low
I'm so much to manage
I think you should know
that I've been damaged
I'm falling in love
there's one disadvantage

I think you should know
that I've been damaged

and I really really really want you
and I think I'm kind of scared
cause I don't want to lose you
if you're really really really there
then maybe you can hang through
I hope you understand
It's nothing to you

my heart's at a low
I'm so much to manage
I think you should know
that I've been damaged
I'm falling in love
there's one disadvantage
I think you should know
that I've been damaged

(fades)
my heart's at a low
I'm so much to manage
I think you should know
that I've been damaged
I'm falling in love
there's one disadvantage
I think you should know
that I've been damaged
