

# TLC, Get It Up

Hey ha ha  
There it goes  
Yeah  
Cuz we's about to flow  
There it is  
For the fellas  
There it is  
That's it  
That's right There it is  
For the fellas  
Comin back on the sexy tip  
Ya know what I'm saying  
But no more dresses for y'all  
No more dresses  
My brother (brother)  
Ha ha  
Get it up  
Woo wee

Get it up  
Get ready for a real good time  
I'm gonna try to blow your mind  
Can't you see  
You and me  
It sounds so nasty  
Get it up  
Let your thang hang down  
We could fool around  
Don't you know  
I want you so (yeah)  
Make me happy (oh)

Chorus  
Get it up  
Get get get get get  
Get it up

Get it up (yeah)  
there is nothing wrong  
With freakin' all night long  
Me and you  
We're need to groove  
It feels good doin' it  
Get it up  
Leave your cares behind (just leave your care behind)  
Let me try to find  
Find a spot (a spot)  
To get you hot (ha ha)  
Let me do you  
Ohhhhh

Chorus

One time huh (ha ha ha)  
Woo there it is (uh)  
There it is  
Y'all know what it's like  
Y'all know what I'm talkin' about too (ahh)  
I know y'all done did that nasty

Yo  
And the Left is thinkin' about it  
Just to think about it  
Leave your knees in tension

Easin' the tension loosen up enough to clenchin'  
Whatever's mentioned (mentioned)  
Not to mention what I hand you wit' in question  
And a question at hand (there it is)  
Are you ready to make me feel the definition of a man (man)  
Man is it hot or is it me  
Me I guess 'cause when it come to feelin' free  
You free villains on civility my sexuality  
A formality of reality  
So don't touch me in the moring and walk away (walk away)  
As I commence to yawnin' commence to stay (come on)  
Stay up for the rest of the day (day)  
Just enough for my tongue to play (play)  
Play me back back and forth (hey)  
Like a kiss (come on)  
As I go a little somethin' like this

Oh uh oh oh  
Oh oh  
You make me wanna sing  
Uh uh oh oh  
Ohhhhhhhh  
Uh oh oh  
Oh oh  
Get me get me up (yeah hey yeah)  
Uh uh oh oh  
Oh oh

I wanna love you baby  
Wanna love you baby  
I wanna love you baby  
Wanna love you baby

Get it up  
Get it up  
I'll freak you all night

Get it up  
Get it up  
I'll freak you all night

Get it up  
Get it up  
I'll freak you all night

Get it up  
Get it up  
I'll freak you all night

But no more dresses for y'all  
No more dresses my brother  
You got to get down if you wanna be our baby baby baby  
That's what I'm talkin' about  
Know what I'm saying  
Baby baby baby  
They got to be some fish out the ocean
