Hangin'with my girlfriends  
we were talkin' bout how we are all alone(talkin'bout how we are all alone)  
then he came around the corner and  
stepped into my life,it was so right.I looked at him and  
he looked at meeeee(repeat)and then it all became my fantasy.(my fantasy)

chorus

Give a shout out to my baby  
I wanna tell the whole world about him  
cause he's everthing I wanted  
He's out but,he's still in.

10 years from now  
I'm still with my baby  
He's still everything I wanted yeah yeah
