## TLC, Let's Take Our Time

Chorus: let's take our time baby love last forever over and over we'll love together

come here
next to me
and let me make you high
no mistakes
we will make
a long time
we will love

## chorus

kiss me hold me tight and let's get wet tonight happiness is pleasing you so let me make you cry

## chorus

slowly deep inside me hold me kiss my body only you can make me so easy slowly deep inside me hold me kiss my body only you can make me so easy
