

# To My Surprise, Blue

I see you looking out  
Wondering why  
Things are so hard  
And why we all have to try  
So hard to get by  
Please dont cry little child  
Life is so open to you right now  
Dont wilt dont die

Blue belongs in the sky  
And not on you or I  
I cant go on without you right here  
By my side

I cant believe the things you see  
and what you feel  
i know its too real (real)  
but you must try your hardest to get by  
ill always be your friend little girl  
right till the end  
so dont feel blue  
stay in touch its me and you hey

blue belongs in the sky  
and not on you or i  
i cant go on without you right here  
Ooh

Blue belongs in the sky  
And not on you or I  
I can see it in your eyes  
theyre blue so blue

blue seems to be  
the color that holds you and me  
but please dont cry  
let me tell you why

Blue belongs in the sky  
And not on you or I  
I cant go on without you right here  
Ooh

Blue belongs in the sky  
And not on you or I  
I cant go on without you right here  
By my side

(you cant always feel blue)  
blue belongs  
(you cant always feel blue)  
up in the sky  
(you cant always feel blue)  
and not on you or i (blue)  
blue  
(you cant always feel blue)  
(you cant always feel blue)  
(you cant always feel blue)
