

To My Surprise, Say Goodbye

Im
In here
Away
From you
You
Youre in here too
Away
From me
In here
Its lonely
Its killing
Us all
Why
Cant they tell us
What we need to know

Please Release
Release Please
Please Release
Release Please

Out there
Is nowhere
Were all
Just in hiding
We dont need
One another
Anymore
Anymore
I
Dont know what to do
About any of you
I
Just might
Say goodbye
I
Just might
Say goodbye

Just might say goodbye
Just might say goodbye
Just might say goodbye
Just might say goodbye
