

# Toad The Wet Sprocket, All In All

Music by: todd nichols and toad  
Lyrics by: glen phillips

All in all it's just as well  
Water moves, earth is still  
Time is slower still  
Half an hour is 30 days  
Nothing moves at all this way  
Hold on, I can wait

Life lies burning, I am only just as much as I can make myself  
And I lie burning, life is only just a part of it  
I can't help myself

All in all it's just the sun  
Catch the wind, hold it down  
Cold when evening comes  
All in all it's just as well

Catch the river, make it still  
Water turns the mill

Life lies burning, I am only just as much as I can help myself  
And I lie burning, life is only just a part of it  
I can't help myself

All in all it's just as well  
Water moves and earth is still  
Time is slower still  
Half an hour is 30 days  
Nothing moves all this way  
Hold on, I can wait

But I can't wait  
I can't wait  
I can't help myself
