

# Toadies, Got A Heart

I can feel it on my insides  
It's working  
It's moving

And I feed it carefully  
And I'm really not happy  
With the things that are moving inside of me

Got a heart  
Got a heart  
Got a heart  
Got a big heart

I smell it on my house  
On my sheets  
It's working

And I feed it often  
Not rips  
Not bleed  
Not knowing really know whats happening

Got a heart  
Got a heart  
Got a heart  
Got a big heart

I remember when I was a kid  
I had a bike that I got secondhand  
???  
I cut my head so bad I thought I died  
And I never believed in you 'til then  
And I'll never forget you ???  
I believe in  
I believe in  
I believe in  
I believe in you

Got a heart  
Got a heart  
Got a heart  
Got a heart  
Got a heart  
Got a heart  
Got a heart  
Got a big heart
