

Toadies, Heel

Long neck
Short leash
Sweet lips of black black black black
You walk, I lead
Little tricks
Stagger and fall

Heel Heel Heel Heel

You're crying, well listen
This time you really were bad bad bad bad
I'll show you some discipline
Yes, you will, learn some respect respect respect

Heel Heel Heel Heel

God, I love you
You're so pretty
Love you, love you
Pretty pretty pretty pretty

Heel Heel Heel Heel
