

# Toasters, Freedom

Give me freedom, give me liberty  
Don't want policeman with a stick in his hand  
Standing over me

Freedom, fraternity  
I don't pick my friends by the color of their skin  
Or the language they speak

Give me freedom, equality  
Don't tell me that we're brothers  
But you're more equal than the others

Some time they knock you down  
Tell you not to get up  
Sometimes you feel that you just had enough  
But you can't give it up

Coolie jump coma to mon whyra ma  
Un jebe fe de youth you know out upon da corner  
After school... ..revolver  
And de pushit in de pocket save dat for later  
De say does it take what about youth don't commit murder  
If police hear dis it would em really anger  
See my renegade renegade renegade police officer  
And my renegade renegade renegade police police officer

Freedom is a concept not just a word  
Moving like the air through the wings on a bird  
Take away my money  
Lock me up inside  
You'll never steal ideas  
Never take my pride

Give me freedom, equality  
Don't tell me that we're brothers  
But you're more equal than the others

Some time they knock you down  
Tell you not to get up  
Sometimes you feel that you just had enough  
But you can't give it up

Freedom, I want freedom!  
Freedom, I want freedom!  
I want my freedom  
Freedom, I want freedom!  
I want some freedom right  
Freedom, I want freedom!  
Hey give me some freedom  
Freedom, I want freedom!  
I want some freedom right now!  
Freedom, I want freedom!
