

Tobias Sammet's Avantasia, Reach Out For The

(Gabriel)

Lord above

Why don't you tell me

why I'm here in agony?

I've been serving, I've been praying

now I'm caught in misery.

I've been praised by friar Jakob,

I misused his confidence.

Cheated by this work of evil

feigning Anna's innocence.

Oh what have I done?

So many ways lead to the fallen one,

Lucifer, fallen light...

Oh what have I done?

What is going on?

We should bring salvation,

Not give in to his temptation - no!

Read and preach the holy world

And no forbidden lies that hurt.

I remember words of "seven";

Set me free - sanity!

(Lugaid)

Reach out for the light

Far beyond confines.

You have read the magic lines

Leading to the light in your mind...

(Gabriel)

What is right and what is wrong now?

Is it a trial of paradise?

Is Anna a witch

Or do they stick to an error?

What's the book and the seal inside?

Am I a cleric or maybe a sinner?

Unbeliever? Renegade?

Was it the devil

Who led me to "seven"?

Oh redeemer is it all too late?

Oh, what have I done?

I have been led by the smelling one,

Lucifer, fallen light...

Tell me stranger, what have I done?

Oh what's going on?

We should bring salvation,

not give in to his temptation - no!

Read and preach the holy world

and no forbidden lies that hurt.

I remember words of "seven";

Set me free - sanity!

(Lugaid) Reach out for the light

far beyond confines.

You have read the magic lines

leading to the light in your mind...

(Gabriel)

In your mind?
