

Today Is The Day, Pinnacle

Watch me destroy you Get out of my path I f**ked your wife F**ked her in the ass She loved it She sucks me That's really funny Suck me You f**ker I hate you You're nothing Orgasmic Oh I'm coming Harder please harder F**k me F**k me I called you My best friend The truth hurts The price you pay Don't spit on me You don't know me My ass bleeds for you Sincerely
