

# Todd Agnew, Always There

I've been leaning on things I'm finding unstable  
I've been standing on things that are unsure  
I've been surrounding myself with things I'm finding  
Unable to fill me  
Unable to still my trembling soul

## CHORUS

But You're always there when I turn around  
Even though I've been running for so long  
You're always there when I cry out  
Even when I've been silent for so long  
You're always there when I need You  
I need You

I've been reaching for things that are no good to me  
I've been wrestling with things that are bringing me down  
I've been losing sleep over things that really don't matter  
I know You want better  
But it's so hard to see Your side

## CHORUS

But You're always there when I turn around  
Even though I've been running for so long  
You're always there when I cry out  
Even when I've been silent for so long  
You're always there when I need You  
I need You

Can You hear me  
Can You hear me calling  
Cause it's been so long  
And I'm sorry  
That it's been so long, so long

## CHORUS

But You're always there when I turn around  
Even though I've been running for so long  
You're always there when I cry out  
Even when I've been silent for so long  
You're always there when I need You  
I need You

## CHORUS

But You're always there when I turn around  
Even though I've been running for so long, so long  
You're always there when I cry out  
Even when I've been silent for so long, so long  
You're always there  
When I need You  
I need You
