

Todd Rundgren, The Ballad

Jean did her best
Denny worked hard
And so together made him a star
And he loved her
Money changed hands
Denny must start
Tallying up things close to his heart
And he loved her so
But we don't always know what to say
When they ask you, what do you say?
No one can tell what's in a heart

People just drift apart
Jean lost her head
Denny got mad
"how, jean," he said, "can things be so bad
Right before my eyes"
Jean told a lie, denny deceived
Jean packed her bags to leave
"jean, if you must go
Before you do
Tell me you know I did it for you
And I loved you so."
