

# Token, Mom Would Agree

I deserve all of the love  
I deserve all of the keys  
I deserve all of the cash  
I deserve all of the cheese  
I deserve all of my wishes  
I deserve all of my dreams  
I deserve all of the pussy in the world, even my mom would agree

Even my mom agrees I don't got time to sleep  
Look like royalty, king bear with a drama queen  
Princess on top of me toppin' me  
I'm in that chick's head like indepth psychology  
Hold up.. What the fuck you really wanna' say to the kind?  
Pray for the kid  
Matter of fact, this's what I say to a bitch  
Who taking offense: "Blow me like you making a wish. Don't say what it is."  
Mom don't want me to swear but I swear, this swears will make you rich, make you rich  
So, I'm coming home once a month, that's for paydays (that's for paydays)  
Get your ass trough the race, that's a TayK (that's a TayK)  
Ladies think I'm a trip, that's a vaca (that's a vaca)  
Put my kids on her face, that's a play date

I deserve all of the love

I deserve all of the cash  
I deserve all of the cheese  
I deserve all of my wishes

Even mamma know that  
She don't wanna' know that  
Knew that I was different  
Since I bought a notepad  
Writing in the kitchen  
Where the cockroach at?  
I don't wanna' go back, I don't wanna' go back!  
Who I gotta' get?  
Who you fallin' for?  
Nowadays I do what the fuck I want  
Innocent till' I'm proven wrong in court  
If they want me dead, I don't got a suit  
That is what the boy Du-Karan is for  
Barrel of the gun  
Let the circle sing, it remind me of Kumbaya My Lord  
Kumbaya My Lord  
Kumbaya My Lord  
Know you got potential, bitch I got more!  
Life is giving me road head and I'm tripping on tour  
Walk up on stage, I don't say a word, I just absorbe  
Cause'
