

Tola Janowska, Down with his love

wow, you've got so many boyfriends
well, go ask them, if I loved them
feel the empty heart
Is my daily bread
but instead I am going down whit his mind
and I don't care
what a greed I need to share

down /3x
whit his love
listen to this song if it exist or not
down /3x
whit his love
listen to this song if it exist or not

one could roll me cigarerts all day
even if was ypunger
I needed to pay in some way
other really liked to drink beer
black basists form outcity stole my soul
but cheated on my and pleaded on me

hey herry, I am calling again
ten more whiskey go ya drinkin' in the heaven
and I hope /2x
dine, love, Tola
