

Tolidos, Awake

Sleeping at the bed time,
I was dreaming about you
And me together,
But i didn't want to wake up
But i did,
See all i want of, want too many times,
And i don't know what to do,
Cause i'm awake,
And the only think that i can do is think,
About you,
And i want to close my eyes and get to dream,
One more time,
Out i can't get out of my mind your pretty face,
And i guess, wonder when, where i see you once again.

And i want to tell you that you're the one i really love,
And that i want to be with you for the rest of my life.

All of my life (All of my life)
Let's go!

All of my life (All of my life)
Let's go!

And i want to tell you that you're the one i really love.
