

# Tom Gabel, Conceptual Paths

[Tom:] Ive never played any of these songs before, so bear with me,  
Conceptual paths wide open, I'm scared to death  
Existential weight no longer holds you back  
Conceptual paths wide open, I'm scared to death  
I'm ready for the future, I'm ready for what happens next  
If you don't know how you're gonna eat tomorrow  
You can get what you want, you can get what you want  
If you don't know where you're gonna sleep tomorrow  
You can get what you want, you can get what you want  
Conceptual paths wide open, I'm scared to death  
Existential weight no longer holds you back  
Conceptual paths wide open, I'm scared to death  
I'm ready for the future, I'm ready for what happens next  
Abstract illusions of a free mind  
You don't owe anything to anyone  
You don't owe anything to anyone  
Abstract illusions of a free will  
You don't owe anything to anyone  
You don't owe anything to anyone  
Don't spend your life paying rent to a slum lord  
Conceptual paths wide open, I'm scared to death  
Existential weight no longer holds you back  
Conceptual paths wide open, I'm scared to death  
I'm ready for the future, I'm ready for what happens next
