

Tom Jones, Sexbomb

Spy on me baby use satellite
Infrared to see me move through the night
Aim gonna fire shoot me right
I'm gonna like the way you fight
(And I love the way you fight)
Now you found the secret code I use
To wash away my lonely blues
Well, so I can't deny or lie cause you're there
Only want to make me fly

Chorus

Sexbomb, sexbomb you're a sexbomb
You can give it to me when I need to come along
(Give it to me)
Sexbomb sexbomb you're my sexbomb
And baby you can turn me on
(Baby you can turn me on
You know what you're doing to me don't you. ha ha,
I love you do)
Now don't get me wrong ain't gonna do you no harm
This bomb's for lovin' you can shoot it far
I'm your main target come and help me ignite
Love struck holding you tight, hold me tight darlin'
Make me explode although you know
The route to go to sex me slow, slow baby
And yes I must react to claims of those
Who say that you are not all that, ha ha ha

Chorus 2x

Sexbomb, sexbomb you're my sexbomb
You can give it to me when I need to come along
Sexbomb sexbomb you're my sexbomb
And baby you can turn me on
(Turn me on darlin')
Sexbomb ,sexbomb you're my sexbomb
You can give it to me when I need to come along
Sexbomb, sexbomb your're my sexbomb
And baby you can turn me on
You can give me more and more counting up the score
You can turn me upside down and inside out
You can make me feel the real deal
And I can give it to you any time because you're mine
