

Tom Jones, Situation

Blue I dress for every situation
Moving through the doorway of the nation
Pick me up and shake me down
Baby I can't do without

Move out
Don't mess around
Move out
You bring me down
Move out
Forget about don't make a sound
Just move out

I remember only for an hour
Moving right through me can you feel the power
I don't know what's going on
It's getting me but it won't be long

Move out
Don't mess around
Move out
You bring me down
Move out
Forget about don't make a sound
Just move out

Move out
Don't mess around
Move out
You bring me down
Move out
Forget about don't make a sound
Just move out
Move out
Don't mess around
Move out
You bring me down
Move out
Forget about don't make a sound
Just move out

Now he's in control he is your lover
Nation stands against him he's your brother
Been a long time, been a long time
Now I've got to give somehow

Move out
Don't mess around
Move out
You bring me down
Move out
Forget about don't make a sound
Just move out
Well Well Well
