

Tom MacDonald, Clown World

You worried
About leaving a better planet
For our kids
How about leaving better kids for our planet?

Wentire generation offended at everything
Getting mad taht a human
Thinks all lives matter

We don't need black or white
Or lefr or light
What we need is common sense
We need balance
We're all in the same boat
Why you tryna make holes?
If they sink
We sink
This is madness!

I am offended taht you're offended by me taking offense
Trump can't build a wall
Why does your hause have a fence?
I believe in 2 genders
I am nod mad at the rest
I am just confused when a dud
Has a beard and some breast

We won't alwayse agree, no
I don't hate all police, no
I don't think that the system's racist
I just think the system hates people
