

Tom Milsom, Internet Love Song

Please, please don't go
Please, please don't go
Circumflex underscore circumflex
I love you so
Please don't block me
Please don't go offline,
I wanna be with you all the time.

BRB OMG LOL
ROFLMAO
BRB OMG LOL
ROFLMAO

We'll pour our hearts out on the screen
One line at a time
And I'll try to figure how to
make you mine

So please, please don't go
Please, please don't go
Though it's close to midnight
And the conversation's getting slow,
No don't invite your friends,
I do not want this moment to end

BRB OMG LOL
ROFLMAO
BRB OMG LOL
ROFLMAO
