

# Tom Morley, Song For The World

When I wake up early in the morning  
Until I go to bed at night  
Peace is always what I dream of  
It's a time where inside  
So tonight ill close my eyes  
And fly so high across the skies  
With the world held in my hands  
I'll take the souls throughout the land

If I became a star and tried so hard  
To move this world with my heart  
Singing songs of open peace  
So people know it can be achieved  
So tonight I sing my song for the world

When im in bed and Im dreaming  
Of how it could be without war  
No more shouting no more hurting  
And no more suffering anymore  
As in before  
Throughout the world  
Every boy and every girl  
Sleep tonight peace and love  
In their hearts forever more

If I became a star and tried so hard  
To move this world with my heart  
Singing songs of open peace □  
So people know it can be achieved  
So tonight I sing my song for the world'  
For thee world'

If I became a star and tried so hard  
To move this world with my heart  
Singing songs of open peace  
So people know it can be achieved  
So tonight I sing my song for the world'  
So tonight I sing my song for the world
