

# Tom Petty And The Heartbreakers, Ain't Love Strange

(Tom Petty)

Well, it can get you in the back boy  
Or you can lie around in roses  
Or maybe walk around wonderin'  
You know, goin' through the motions

(Chorus)  
Hey ain't love strange?  
Hey ain't love strange?  
Boy talk about changes  
Ain't love strange?

'Cause it can make you string barb-wire  
Around your little piece of ground  
For emotional protection  
Oh, but it's too late now

(Chorus)

Some keep tryin' it, giving and denying it  
And I don't know why it is guess you  
Never quit

Tryin' to make sense of it

'Cause it can feel like perfection,  
But never all the time  
And you don't wanna be alone again  
Oh my, my

(Chorus)
