Tom Petty And The Heartbreakers, Ain't Love Str

(Tom Petty)

Well, it can get you in the back boy Or you can lie around in roses Or maybe walk around wonderin' You know, goin' through the motions

(Chorus)
Hey ain't love strange?
Hey ain't love strange?
Boy talk about changes
Ain't love strange?

'Cause it can make you string barb-wire Around your little piece of ground For emotional protection Oh, but it's too late now

(Chorus)

Some keep tryin' it, giving and denying it And I don't know why it is guess you Never quit

Tryin' to make sense of it

'Cause it can feel like perfection, But never all the time And you don't wanna be alone again Oh my, my

(Chorus)
