

# Tom Petty And The Heartbreakers, Christmas All

Written by: Tom Petty

Well it's Christmas time again, decorations are all hung by the fire  
Everybody's singin', all the bells are ringing out  
And it's Christmas all over again, yeah again

Long-distance relatives, haven't seen'em in a long, long time  
Yeah I kind of missed 'em, I just don't wanna kiss 'em, no  
It's Christmas all over again, yeah again

And all over town little kids gonna get down  
And Christmas is a rockin' time, put your body next to mine  
Underneath the mistletoe we go, we go

Everybody's singin', all the bells are ringin' out  
It's Christmas all over again, yeah again

And right down our block little kids start to rock  
And Christmas is a rockin' time, put your body next to mine  
Underneath the mistletoe we go, we go

Merry Christmas time come and find you happy and there by your fire  
I hope you have a good one, I hope momma gets her shoppin' done  
And it's a Christmas all over again  
Baby it's Christmas all over again  
And it's Christmas all over again

Now let's see...I want a new Rickenbacker guitar,
