

Tom Petty And The Heartbreakers, Free Falling

I remember you so clearly
The first one through the door
I return to find you drifting
Too far from the shore
I remember feeling this way
You can lose it without knowing
You wake up and you don't notice
Which way the wind is blowing

(Chorus)

Don't fade

Don't fade on me

You were the one who made things different

You were the one who took me in

You were the one thing I could count on

Above all you were my friend

(Chorus)

Well your clothes hang on a wire

And the sun is overhead

But today you are too weary

To even leave your bed

Was it love that took you under?

Or did you know too much?

Was it something you could picture?

But never could quite touch?

(Chorus)
