

Tom Petty, Hope You Never

(Tom Petty)

I hope you never fall in love
Hope you never get your heart broken
I hope you never fall in love
With somebody like you

I hope you never give a damn
Hope you never lose your perspective
I hope you never fall in love
With somebody like you

(Chorus)
I wish you well
I wish you everything and more
Forgive my ignorance
I was starting to ramble on and on
Starting to ramble on and on

I hope you never need no one
Hope you treasure your independence
I hope you never fall in love
With somebody like you

(Chorus)

I hope you never give a damn
Hope you never get your heart broken
I hope you never fall in love
With somebody like you

I hope you never fall in love
With somebody like you
