

Tom Petty, Listen To Your Heart

You think you're gonna take her away
With your money and your cocaine
Keep thinkin' that mind is gonna change
But I know everything is okay
She's gonna listen to her heart
It's gonna tell her what to do
She might need a lot of loving
But she don't need you
You want me to think that I'm being used
You want her to think it's over
You can't see it doesn't matter what you do
Buddy, you don't even know her
She's gonna listen to her heart
It's gonna tell her what to do
She might need a lot of loving
But she don't need you
