

# Tom Petty & The Heartbreakers, Hung Up And O

I'm so hung up,  
I'm gonna go and see her tonight  
I'm so hung up,  
I can't get her out of my mind

Could it be just stars in my eyes?  
Could it be this won't happen twice?

We're overdue for a dream come true  
Long time, nothing new  
We're overdue for a dream come true

She said she's going to move to California one day  
Said she's going out on safari to stay  
She's tired of her job and the snow  
We both need somewhere to go

We're overdue for a dream come true  
Long time, nothing new  
We're overdue for a dream come true

I'm so hung up on her now  
I'm so strung out on her now

A gift from the sun to the moon  
I hope something changes soon

We're overdue for a dream come true  
Long time, nothing new  
We're overdue for a dream come true  
We're overdue for a dream come true  
Long time, nothing new  
We're overdue for a dream come true
