

Tom Petty & The Heartbreakers, The Wild One, F

Well the moon sank, as the wind blew.
And the street lights slowly died.
Yeah, they call you the wild one, said stay 'way from her.
Said she couldn't love no one if she tried.

But then somethin' I saw in your eyes
Told me right away that you were gonna hafta be mine.
Well and the strangest feelin' came over me, down inside.
No matter what it takes I'll never get over, how good it felt,
When you finally held me, I'll never regret.
Those few hours, will grow in my head,
Forever.

Well it's too bad, but I want you,
To know I understand.
Yeah it's been a long time, but I don't mind,
Yeah it's alright, I understand.

Because somethin' I saw in your eyes,
Told me right away that you were gonna hafta be mine.
Well the strangest feelin' came over me, down inside.
I new I'd never get over, how good it felt,
When you finally kissed me, I'll never regret.
Those few hours will grow in my head,
Forever.
