

# Tom Petty, Time To Move On

(Tom Petty)

It's time to move on, time to get going  
What lies ahead, I have no way of knowing  
But under my feet, baby, grass is growing  
It's time to move on, it's time to get going

Broken skyline, movin' through the airport  
She's an honest defector  
Conscientious objector  
Now her own protector

Broken skyline, which way to love land  
Which way to something better  
Which way to forgiveness  
Which way do I go

Time to move on, time to get going  
What lies ahead, I have no way of knowing  
But under my feet, baby, grass is growing  
It's time to move on, it's time to get going

Sometime later, getting the words wrong  
Wasting the meaning and losing the rhyme  
Nauseous adrenaline  
Like breakin' up a dogfight  
Like a deer in the headlights  
Frozen in real time  
I'm losing my mind

It's time to move on, time to get going  
What lies ahead, I have no way of knowing  
But under my feet, baby, grass is growing  
It's time to move on, it's time to get going
