

# Tom Petty, You're Gonna Get It

(Tom Petty)

I don't want you no more  
I ain't gonna give any more than you give to me  
I don't want you, it's too hard  
Can't try any harder than you tried for me

(Chorus)

You're gonna get it babe  
I shoulda quit it babe, but you look so good  
Yeah you do you do you do you do  
I kept thinkin' somethin' might change but I was just a fool

Go on, go to somebody else like you do it to me  
I don't want you, can't crawl  
I can't crawl any further  
You never crawled for me

(Chorus)

You're gonna get it babe  
You're gonna get it babe  
You're gonna get it babe  
You're gonna get it babe
