

Tom Verlaine, There's A Reason

(Verlaine)

walking slowly into romance
lions roaring by the entrance.
saw you standing in my heartbeat
cinderella with a new treat.

you're my thrill my dear
but I can't keep still I fear.

Close to zero... that is no cure.
that ain't a reason I could go for.
but you're the wonder that I follow
and Heaven's Preview starts tomorrow
