

# Tom Waits, Anywhere I Lay My Head

My head is a-spinning round  
My heart is in my shoes, yeah  
I went and set the Thames on fire  
Now I must come back down  
She's laughing in her sleeve, boys  
I can feel it in my bones  
Oh, but anywhere, anywhere I'm gonna lay my head  
I'm gonna call my home

Well I see that the world is upside-down  
Seems that my pockets were filled up with gold  
And now the clouds, well they've covered everything, oh  
And the wind is blowing cold  
Well I don't need anybody  
because I learned, I learned to be alone  
Well I said anywhere, anywhere, anywhere I lay my head, boys  
Well I gonna call my home
