

Tom Waits, Baby Gonna Leave Me

Well I stood on the corner
Until my feet got wet
I stood by the faucet
Till the sink filled up
I stood by the window
Until the moon came up
My baby's bought a ticket
Long as my clothes line

Na na na na, na-na-na
Na na na na

My baby went and left me in a '49 Ford
Going down the highway in a 49 sword
My baby ripped my heart out
With every turn of the moon
Somebody told me
There's never been a rose without a thorn

Na na na na, na-na-na
Na na na

Well I'm just another sad guest
On this dark earth

And if I was a tree
I'd be a cut down tree
And if I was a bed
I'd be an unmade bed
I'll get my 32/20 and it'll have to do

Na na na na, na-na-na
Na na na na

Gone like the wind in the meadow
And the rain on the hill
You even left your lipstick
And your powder and your blush

Baby gonna leave me
On a Grey Hound bus
The stars are melting
All across the sky

Na na na na, na-na-na
Na na na na

I let the dog out

Stood on the corner until
My feet got wet

Baby leave me in a '49 Ford
I stood by the window
Untill the moon came up

Na na na na, na-na-na
Na na na na
