Tom Waits, Chained Together For Life

Did you hear the news about Edward? On the back of his head he had another face Was it a woman's face or a young girl? They said to remove it would kill him So poor Edward was doomed

The face could laugh and cry It was his devil twin And at night she spoke to him Things heard only in hell But they were impossible to separate Chained together for life

Finally the bell tolled his doom
He took a suite of rooms
And hung himself and her from the balcony irons
Some still believe he was freed from her
But I knew her too well
I say she drove him to suicide
And took poor Edward to hell
