

# Tom Waits, Come On Up To The House

Well the moon is broken  
And the sky is cracked  
You gotta come on up to the house  
The only things that you can see  
are all that you lack  
You gotta come on up to the house

chorus

All your cryin won't do no good  
you gotta come on up to the house  
come down off your cross, we can use the wood  
you gotta come on up to the house

chorus

There's no light in the tunnel  
There's no iron in the fire  
You gotta come on up to the house  
And your singin lead soprano  
In a junkman's choir  
You gotta come on up to the house

The seas are stormy  
And you can't find a port  
You gotta come on up to the house

(Chorus)  
there's nothin in the world  
that you can do  
you gotta come on up to the house  
and you been whipped by the forces  
that are inside of you  
you gotta come on up to the house

Chorus

well you're high on top  
of your mountain of woe  
you gotta come on up to the house  
well you know you should surrender  
but you can't let go  
you gotta come on up to the house  
(Chorus)
