Tom Waits, Eggs And Sausage

nighthawks at the diner
of Emma's 49er, there's a rendezvous
of strangers around the coffee urn tonight
all the gypsy hacks, the insomniacs
now the paper's been read
now the waitress said
eggs and sausage and a side of toast
coffee and a roll, hash browns over easy
chile in a bowl with burgers and fries
what kind of pie?
In a graveyard charade, a late shift masquerade
2 for a quarter, dime for a dance
with Woolworth rhinestone diamond

earrings, and a sideway's glance and now the register rings and now the waitress sings (chorus) the classified section offered no direction it's a cold caffeine in a nicotine cloud now the touch of your fingers lingers burning in my memory I've been 86ed from your scheme I'm in a melodramatic nocturnal scene I'm a refugee from a disconcerted affair as the lead pipe morning falls and the waitress calls (chorus)
