## Tom Waits, Tango 'til they're sore

| vveii you piay that tarantelia ali t | ne nounds will start to | roarrne boys all go to | nell and then the C |
|--------------------------------------|-------------------------|------------------------|---------------------|
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
|                                      |                         |                        |                     |
