

# Tom Waits, Underground

Rattle big black bones  
in the danger zone  
there's a rumblin' groan  
down below  
there's a big dark town  
it's a place I've found  
there's a world going on  
Underground  
they're alive, they're awake  
while the rest of the world is asleep  
below the mine shaft roads  
it will all unfold  
there's a world going on  
Underground  
all the roots hang down  
swing from town to town  
they are marching around  
down under your boots  
all the trucks unload  
beyond the gopher holes  
there's a world going on  
Underground
