

# Tom Waits, World Of Adventure-River Of Man

Adventure

Men of adventure

Conquering the world

Conquering the world

The world of adventure

The world of adventure

The world of adventure

Our journey begins in a world of adventure

Fishers of men(1), fishers of men

Up one side and back again

Along the river of men

Our trusty oars are in the boat

Along the river of men

(Sing with me, John!)

Along the river of men

Along the river of men

Up one side and back again

Along the river of men (of men)

He yells at the crew, they get nothing to eat

Along the river of men

And it's up one side and back again

Along the river of men (of men)

Along the river of men

Along the river of men

Along the river of men
