Tomahawk, God Hates A Coward

I'll sow my seeds with a metric grosse No footsteps go beyond it I'll eat the dirt Where the rooster crows Fresh rodeos, behold it

Check your pulse in your teardrops
Make you a cyclops
Breakin' the branches off your family tree
Keep you up like a fluffer, yeah
Ain't that enough without
Look in the sewer for my pedigree

Your truly cause repeats its pulse And makes your tears, if you needed too Make me blow out my brain or I'll point it at you While I'm thinking of you But I'm hangin' tough!

Day, by, day, by, day, by, day, by Day, by, day, by, day, by

Listen closely to your mother You can hear an ocean roar Sittin' quiet in the corner Put another record on God hates a coward, sonny Got a date with your VCR Watch another action movie Dream of me

On the only piano
Wrote the fuckin' concerto
Shoot pool with your eyeballs, rack 'em up
Make a meal of your asshole
Gnaw on your fat soul
Dipping your heart in my vinegar

Like a million disappeared
Just how long did you think they would live
Prepare yourself, coming to defend
And if you ever want to be
???
Coming to kill, I'll never finish my plate
Or I'll burn it up

Day, by, day, by, day, by, day, by Day, by, day, by, day, by
